FOR IMMEDIATE RELEASE

Construction Equipment Awards PCA® 400 Combustion Analyzer Top 100 New Products

New Kensington, PA — December 1, 2018 — [Bacharach, Inc.](#), a leading manufacturer of refrigerant gas and combustion analysis, is pleased to announce that its newest combustion and emissions analyzer, the PCA® 400, is among “[The Top 100 New Products](#)” in the Technology Category as awarded by Construction Equipment Magazine. Bacharach received the award for their significant investment, work and innovation in research and development regarding the PCA® 400.

Construction Equipment’s “Top 100 New Products of 2018 Award Program” calls special attention to the most significant new products announced each year. Construction Equipment considers several hundred-product introductions during the process to announce the winners. Editors make the “Top 100” selections independently drawing upon their experiences with equipment technology and the marketplace.
